Request for Proposals – Engineering Services for Idledale Water System Improvements Project

To Whom it May Concern,

The Idledale Water and Sanitation District is pleased to issue the attached Request for Proposals (RFP) for professional engineering services related to the District's Water System Improvements Project. This project includes final design, permitting, new well construction, site modifications, main tie-ins, and upgrades to monitoring and control systems. To assist in the preparation of your proposal, the following reference documents are available for download at: <https://idledalewater.org/documents/>

- **RFP for Idledale Water and Sanitation District - Water Improvement Project**
- specific RFP for Water Improvement Project
- **Preliminary Engineering Report (PER)** – outlines the project background, system conditions, needs assessment, and recommended improvements.
- **USDA Environmental Report (ER)** – provides the environmental review completed in accordance with USDA Rural Development and NEPA requirements.

This project is partially funded with federal funds and is subject to compliance with:

- **Build America, Buy America (BABA)** provisions
- **American Iron and Steel (AIS)** requirements
- **Davis-Bacon prevailing wage requirements**
- **Non-discrimination and DBE participation requirements**, where applicable

Key Dates:

- **RFP Issued:** June 30, 2025
- **Deadline for Questions:** July 21, 2025
- **Responses to Questions Issued:** July 28, 2025
- **Proposal Submission Deadline:** August 14, 2025, by 4:00 PM (MST)
- **Anticipated Contract Award:** August 27, 2025
- **Project Kick-Off:** September 1, 2025

Proposals may be submitted via email to dominique@publicalliancellc.com (preferred) or by mail to the address listed in the RFP. If you have any questions regarding the RFP or the supporting documents, please submit them in writing no later than July 21, 2025. Written responses will be shared with all known interested parties by July 28, 2025.

Thank you for your interest in working with the Idledale Water and Sanitation District on this critical infrastructure project. We look forward to receiving your proposal.

Sincerely,

Dominique Devaney

District Manager – Idledale Water and Sanitation District
